Data Deletion Instructions

Account Deletion · https://nutechtms.com/docs/data-deletion-instructions/

If you wish to delete your Nutech TDG account, follow these steps:

1. Open the Nutech TDG app and navigate to your Profile.
2. Scroll down and find the Settings option.
3. Tap on Settings, then select Delete Account.
4. A confirmation popup will appear. Tap Confirm Deletion.

Important: This action cannot be undone. Once you confirm, all your data will be permanently deleted from our cloud database.

After your account is deleted, you may proceed to uninstall the app from your device.
